

(2) Of the persons first appointed to the Commission, three shall be appointed for terms of five years; three, for four years; three, for three years; and two, for two years. As these initial appointments expire all appointments shall be for terms of five years. A member whose term is expiring may be reappointed to another term. Vacancies shall be filled from time to time for the remainder of the term left vacant.

(3) The members of the Commission shall be chosen from residents of Maryland and shall be broadly representative of the State as a whole and shall include persons especially skilled in such fields as public or private education, libraries, art, music, drama, higher education, the television and radio industries, or other categories chosen by the Governor to bring special competence to the Commission's membership. Of those appointed to the Commission, one member shall be the State Superintendent of Schools and two other members shall be designated by the State Board of Education.

(4) The members of the Commission shall not receive compensation for their membership on the Commission but they may be reimbursed for necessary and proper expenses incurred in their attendance at meetings and in the discharge of their duties as members of the Commission IN ACCORDANCE WITH THE STANDARD TRAVEL REGULATIONS.

(c) The State Board of Education shall have the sole responsibility for and control over the preparation, content, and programming of all educational television and radio programs used to supplement primary, secondary, and adult education curricula in the public schools of this State and shall have priority as to scheduling of television and radio programs during school hours. The State Board of Education shall annually prepare a budget request to provide the funds and positions required to fulfill this responsibility.

(d) Subject to the provisions of subsection (c) above, the Maryland Public Broadcasting Commission shall have full responsibility for and control over the preparation, content, and programming of all its programs for the general public.

(e) The facilities shall not be used for, and the programs shall not be devoted to a presentation of biased or one-sided aspects of partisan politics, or to advocating or opposing any present or prospective political candidacy, or to advocating or opposing any legislation currently being considered or prepared. The facility must be used in compliance with the rules and regulations of the Federal Communications Commission.
